

Formative Assessment: Inside-Outside Circle

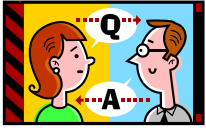

It is your turn to be the teacher! Create a question on the topic we are studying, _____, and write it below. It might be a question that you would expect to see on a quiz or test. Now form two circles, an inside circle and an outside circle can face each other. Quiz the person facing you with the question you have written and they will also quiz you. The outside circle will then move to create new pairs. Repeat!

Question: _____

Answer: _____

Formative Assessment: Inside-Outside Circle
